Schedule of Authorized Public Depositories

The School Board must annually approve the institutions to which District funds are deposited. Attachment A is the list of authorized public depositories for 2009. Administration requests Board approval for these depositories.

In July 2008, the Kenosha Unified School District distributed a Request for Proposal for Placement Agent Services. After a review of the responses, PMA Securities, Inc. was awarded the business.

Administration has updated the list to remove Robert W. Baird & Co. and add PMA Securities, Inc. as placement agent for borrowings between August 2008 thru August 2013. All other financial institutions remain the same.

Additionally, State Statute 67.12(12) states that a school district may issue promissory notes for any public purpose including, but not limited to, paying general and current municipal expenses up to $1 million without a voter approved referendum. The District currently has established a $1 million Line of Credit through Johnson Bank for purposes of operational cash flow needs.

Administration’s Recommendation

Administration recommends that the Board of Education adopt the revised Schedule of Authorized Public Depositories. It is also recommended that the Board assigns the Executive Director of Business the authority to approve debt, as needed, in the form of the $1,000,000 Line of Credit through Johnson Bank.
