Policy 4200 – General Personnel Policies

Mrs. Tanya Ruder, Executive Director of Community Partnerships and Media Relations, presented Policy 4200 – General Personnel Policies. She noted that the policy was being updated to reflect the district's move from collectively bargained agreements to the Employee Handbook, to include a cross reference of the Employee Handbook, and to include any applicable state and federal laws and/or guidelines in the legal reference section. There were no questions from committee members.

Mrs. Dahl moved to forward Policy 4200 – General Personnel Policies to the school board for approval. Mrs. Snyder seconded the motion. Unanimously approved.

Policy and Rule 5434 – Alcohol and Other Drugs - Students

Ms. Susan Valeri, Director of Special Education/Student Support, presented Policy and Rule 5434 – Alcohol and Other Drugs – Students. She indicated that the policy was last updated in 2009. The suggested revisions were developed with input from the Community Council Committee. This committee was comprised of representatives from local law enforcement, the judicial system, Kenosha County Children and Family Services, parents, teachers, and administrators. The committee felt that there is a need for administrators to have flexibility with the determination for suspension and/or expulsion of students. The current policy has a mandatory suspension of three days or five days listed in it. The updated policy would allow principals/administrators to determine the need for a suspension and/or expulsion for up to three days or five days. Ms. Valeri answered questions from committee members.

Ms. Stevens moved to forward Policy and Rule 5434 – Alcohol and Other Drugs – Students to the school board for approval. Mr. Moore seconded the motion. Unanimously approved.

INFORMAL PROCEDURE

The District promotes the voluntary resolution of problems at the level of government closest to their source and, as such, encourages informal resolution of student discrimination complaints. If a complaint cannot be solved informally, the complainant may initiate a formal complaint as outlined below. An informal resolution of a complaint does not prohibit the filing of a formal complaint at any time.

FORMAL COMPLAINT PROCEDURE

The timelines governing the resolution of the formal complaint do not go into effect until the written complaint is received.

Step 1: Except as outlined in (a) and (b) below, a written statement of the complaint shall be signed and submitted by the complainant to the ~~Executive Director~~ **Chief** of School Leadership. The statement shall specify the nature of the alleged discrimination, the facts (including specific details and corresponding dates), the relief sought and the name, address and phone number of the complainant. If the complainant is a minor, the complaint may also be signed by his/her parent or guardian.

The ~~Executive Director~~ **Chief** of School Leadership shall thoroughly investigate the complaint, notify the employees who have been accused of discriminating and permit them to respond to the allegation, and arrange a meeting to discuss the complaint with all concerned parties within 10 working days after receipt of the written complaint, if deemed necessary. The ~~Executive Director~~ **Chief** of School Leadership shall, by certified mail, give a written answer to the complaint within 15 working days after receipt of the written complaint unless the parties agree to extend the timeline.

- a. Discrimination complaints relating to the identification, evaluation, educational placement or the provision of free appropriate public education of a student with a disability shall be processed in accordance with established appeal procedures. ~~outlined in the District's Special Education Program and Procedure Manual.~~
- b. Discrimination complaints relating to programs specifically governed by federal law or regulation (e.g., EDGAR complaints) shall be referred directly to the State Superintendent of Public Instruction.

Step 2: If the complainant is not satisfied with the answer of the ~~Executive Director~~ **Chief** of School Leadership, a written appeal to the Superintendent may be submitted indicating with particularity the nature of disagreement with the answer. The appeal must be filed within 10 calendar days after receipt of the Administrator's answer. The Superintendent shall arrange a meeting with the complainant and other affected parties, if requested by the complaint, at a mutually agreeable time to discuss the appeal. The Superintendent shall, by certified mail, give a written answer to the complainant's appeal within 10 working days.

Step 3: If the complainant is not satisfied with the answer of the Superintendent, the complaint may be filed with the School Board by submitting a written appeal to the Superintendent within 10 calendar days

after receipt of the Superintendent's answer. The Board shall, within 20 calendar days, conduct a hearing at which time the complainant shall be given an opportunity to present the complaint. The Board shall give, by certified mail, a written answer to the complaint within 10 working days following the completion of the hearing. The determination of the Board shall be based upon a reasonable investigation of the facts allegedly constituting a violation as presented in the complaint. If it is determined that a violation has occurred, the Board shall take appropriate steps to ensure compliance with state and federal laws and Board policy. If the Board makes a negative determination with regard to the complaint, the complainant will be notified of his/her right to appeal the decision to the State Superintendent.

Step 4: If a complainant wishes to appeal a negative determination of the Board, there is the right to appeal the decision to the State Superintendent within 30 **calendar** days of the written notification of the Board's decision. The appeal must specify the grounds upon which the action was brought, the facts and the relief sought, and must be signed by the complainant. POLICY 5111
ANTI-BULLYING/HARASSMENT/HATE

Purpose/Introduction:

The Kenosha Unified School District strives to provide a safe, secure and respectful learning environment for all students in school buildings, on school grounds, in school buses and at school-sponsored activities.

Bullying/harassment/hate has a harmful social, physical, psychological and academic impact on those choosing to bully, the targets of bullying and bystanders. The school district consistently and vigorously addresses bullying/harassment/hate with the goal of eliminating disruption to the learning environment and learning process. Bullying/harassment/hate behavior is prohibited in all schools, buildings, property and educational environments, including any property or vehicle owned, leased or used by the school district. This includes public transportation regularly used by students to go to and from school. Educational environments include, but are not limited to, every activity under school supervision.

Bullying/harassment/hate is defined as unwanted aggressive behavior(s) by a Kenosha Unified student or group of Kenosha Unified students, which involves an observed or perceived power imbalance and may be repeated multiple times or is highly likely to be repeated, as determined by the building administrator. Bullying/harassment/hate may inflict substantial harm or distress on the targeted youth including physical, psychological, social and/or educational harm.

The behavior may be motivated by an actual or perceived distinguishing characteristic, such as, but not limited to: age, **gender**, sex (**i.g. gender identity, gender expression, transgender status, and gender non-conforming behaviors**), ancestry, creed, **color**, pregnancy, marital status, parental status, race, **national origin**, ethnicity, religion, sexual orientation, ~~gender identity, gender expression~~, physical attributes, **ability or disability** (i.e. physical, **emotional, learning**, or mental) ~~ability or disability~~, and social, economic or family status.

Gender Expression: The manner in which a person represents or expresses gender to others, often through behavior, clothing, hairstyles, activities, voice or mannerisms.

Transgender: An adjective describing a person whose gender identity or expression is different from that traditionally associated with an assigned sex at birth. Other terms that can have similar meanings are transsexual and trans.

- a. **Female-to-Male (FTM) transgender person means one who was born with a female body but who identifies as a boy or man.**
- b. **Male-to-Female (MTF) transgender person means one who was born with a male body but who identifies as a girl or woman.**

Transition: The process in which a person goes from living and identifying as one gender to living and identifying as another.

Gender Non-conforming: A term for people whose gender expression differs from stereotypical or prevailing social expectations, such as “feminine” boys, “masculine” girls, and those who are perceived as androgynous. This includes people who identify outside traditional gender categories or identify as both genders. Other terms that can have similar meanings include gender diverse or gender expansive.

Bullying/harassment/hate behavior can be, but is not limited to:

1. Physical (e.g., assault, hitting or punching, kicking, theft, threatening behavior, limiting freedom of movement).
2. Verbal (e.g., threatening or intimidating language, teasing or name-calling, racist remarks).
3. Written (e.g., graffiti, notes, signs, epithet).
4. Indirect (e.g., spreading cruel rumors, intimidation through gestures, social exclusion).
5. Electronic (e.g., Cyber bullying, mean vulgar messages, images, video, posting sensitive private information).

Bullying/harassment/hate can occur in person and/or through technology. Electronic aggression, or cyber bullying, happens through email, chat rooms, instant messaging, websites, text messages, digital applications or social media. Cyber bullying can take place at school, or outside of school and impacts student learning.

Sexual harassment can include, but is not limited to: sexual comments, jokes, display of sexually offensive materials, sex-oriented name-calling (i.e., fag, gay, dyke); inappropriate staring at another individual or touching of his/her clothing, hair, or body; asking personal questions about another individual’s sex life; or repeatedly asking someone out who has stated that he/she is not interested. It can happen through email, chat rooms, instant messaging, websites, text messages, digital applications or social media.

Bullying/Harassment/Hate:

The District also prohibits all forms of student bullying/harassment/hate activities, actions, or speech on school premises, at school activities or on sites normally considered to be under school control.

Bullying/harassment/hate activities, actions and/or speech are defined as any acts or attempted acts of speech intended to cause physical injury, emotional suffering or property damage through intimidation, hazing, harassment, stress, bigoted epithets, vandalism, force or threat of any of the above, motivated all or in part out of hostility to the victim’s real or perceived **age, gender, sex (i.g. gender identity, gender expression, transgender status, and gender non-conforming behaviors), ancestry, creed, color, pregnancy, marital status, parental status, race, national origin, ethnicity, religion, sexual orientation, physical attributes, ability or disability (i.e. physical, emotional, learning, or mental), or individual circumstances such as appearance, social, economic or family status.**

Following an observation or becoming aware of acts of bullying/harassment/hate employees are required to report these acts to an administrator/designee. Any other person, who feels she/he is being bullied or who witnesses the bullying of others is encouraged to notify a building staff member.

Confidentiality:

The District will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform to any discovery or disclosure obligations. All records generated under this policy and its related administrative guidelines shall be maintained as confidential to the extent permitted by law.

Procedures for Investigating Reports of Bullying:

Reports of bullying/harassment/hate may be made verbally or in writing and may be made confidentially. All such documented reports, whether verbal or in writing, will be taken seriously, investigated, and a clear account of the incident will be documented. A written record of the report, including all pertinent details, will be made by the receipt of the report. There shall be no retaliation against individuals making such reports. Individuals engaging in retaliatory behavior will be subject to disciplinary action.

Parents and/or guardians of each pupil involved in the bullying/harassment/hate will be notified as soon as possible, but always prior to the conclusion of the investigation. The district shall maintain the confidentiality of the report and any related pupil records to the extent required by law.

If it is determined that someone participated in bullying/harassment/hate acts or retaliated against anyone due to the reporting of such acts, the School District administration/School Board will take disciplinary action, including but not limited to: suspension, expulsion and/or referral to law enforcement officials for possible legal action as appropriate. Student Support staff will provide assistance to identified targets, and follow-up interventions for the alleged suspect.

Sanctions and Supports:

If it is determined that students participated in bullying/harassment/hate behavior or retaliated against anyone due to the reporting of such behavior, the school district administration/designee and School Board may take disciplinary action, including:

Parents may contact the ~~Assistant Superintendent of Elementary or Assistant Superintendent of Secondary Schools~~ **Chief of School Leadership** to appeal any sanction and support decisions made by the school district administration/designee.

Disclosure and Public Reporting:

Students, parents and employees shall be informed of this policy annually. This policy will be posted on the District and school websites. It will also be distributed to organizations in the community having cooperative agreements with the schools and any person who requests it. Records will be maintained on the number and types of reports made, and intervention or sanctions imposed for incidents found to be in violation of this policy.

Monitoring, Evaluation and Review:

Each school will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school district by all employees.

POLICY 5112
STUDENT RESTROOM AND LOCKER ROOM ACCESSIBILITY

The presumption is that students will use the restroom and locker room facilities that correspond to the biological sex that the student was assigned at birth.

Any and all students, who have a need or a desire for increased privacy, regardless of the underlying reason, may seek permission from the school counselor or the building principal or his/her designee, to use gender neutral/single access restroom and locker room facilities, or another safe and non-stigmatizing alternative, which may include, for example, addition of a privacy partition or curtain, provision to use a nearby private restroom or offices, or a separate changing schedule, to the extent that such facilities are available in the building.

If a transgender/gender non-conforming student wishes to use restroom and locker room facilities that correspond to his/her gender identity (as opposed to the biological sex that the student was assigned at birth), the student and his/her parent(s)/guardian(s) should contact the school counselor or the building principal or his/her designee to discuss the options available to the student. Such requests will be assessed by the school counselor or the building principal or his/her designee on a case-by-case basis with the goals of: (a) facilitating the student's access to the District's physical education curriculum and other relevant programs; (b) ensuring adequate student privacy and safety; and (c) minimizing stigmatization of the student. The physical layout of the facility will be considered in making the arrangements.

Nothing in this policy shall be interpreted so as to interfere with the rights of students with disabilities to have access to appropriate restroom and locker room facilities in accordance with a Section 504 Plan, an IEP, and/or state and federal law.

The presumption and request procedure set forth above also applies to students participating in overnight stays required for field trips and/or co-curricular trips.
