

POLICY 5435.1
LASER DEVICES

Student possession of laser pointers, pens or other laser devices which can cause eye damage or other injuries on school premises or while involved in school-sponsored activities is strictly forbidden unless authorized by the school principal. Supervised use of laser devices in a classroom setting will be permitted with the approval of the school principal.

CROSS REF.: 5430	Student Conduct and Discipline
5437	Student Suspension
5474	Student Expulsion
5475	Discipline of Students with Exceptional Educational Needs

ADMINISTRATIVE REGULATIONS: None

APPROVED: May 11, 1999

RULE 5435.1
LASER DEVICES

Students possessing an unauthorized laser device will be subject to disciplinary action including possible suspension and possible recommendation for administrative review. Students possessing such a laser device will have it confiscated. A parent/guardian will be notified and, if so desired, will be required to personally pick up the device.
