

POLICY 6530  
COMMUNITY RESOURCES

The School Board encourages the use of community resources and citizens to assist in furthering the educational program.

Prior approval of the building principal shall be required before any person or group appears before students or at a school-sponsored activity for the purpose of furthering the educational program. School volunteers for specific purposes shall be approved and appointed by the administrator in charge.

The principal or other administrator may appoint a parent advisory committee to assist in furthering the educational program.
