

POLICY 6710
SCHOOL ORGANIZATIONS

No students attending the schools of the School District shall become members of any fraternity, sorority, club or other organization or society within the school, which is not approved by the principal as authorized by the Superintendent of Schools.

School organizations shall be regulated by the building principal, under the authority of the Superintendent. No school organization or member thereof shall be allowed to indulge in any dangerous practice.

All authorized school organizations shall meet in school unless otherwise approved by the principal.
