## Mission Statement

The Education Foundation of Kenosha exists to enhance the quality and variety of educational opportunities for all students, regardless of age, living within the boundaries of the Kenosha Unified School District by providing scholarships and programs that stimulate academic achievement in various ways beyond those funded by normal tax and government revenues.

## History

The Education Foundation of Kenosha was established in 1980 to support the Kenosha Unified School District and its mission. The Foundation funds educational and enrichment projects not able to be funded through the District's normal budgetary allotments.

The Foundation fosters creativity, innovation and motivation among educators in the District through support grants that enable added dimension to occur within educational experiences for students. The Foundation also administers funding for a wide variety of scholarships available to District students.

## Last Year

The Education Foundation of Kenosha invites you to participate in this exciting event as a golfer and/or sponsor. Last year's event raised approximately **\$24,000** that helped underwrite Kenosha Unified School District classroom innovation grants as well as scholarships awarded to graduating high school seniors.

Please complete both sides of this form, including name, company, address, phone and email.

**All checks should be made payable to the Education Foundation of Kenosha and sent to the address on the bottom of the registration form.**
