

Make Mathnasium part of your summer plans

Customized Learning Plans • Flexible Scheduling • Great Summer Learning Environment

It's important for kids to keep up their math skills during the summer so they don't lose what they learned over the school year and are ready for new material in the fall. Summer at Mathnasium allows them to do this right alongside their other summer activities, with flexible hours and a great learning environment. It starts with a comprehensive assessment and customized learning plan that details summer goals for long-term success. **And we make it fun!**
